Thank you Augustin,

I appreciate your kind words.

And when we do meet again, I would very much like to accept your dinner invitation!

Warm regards,

Peter

Dear Peter,

I feel very sorry for this bad news of your father-in-law.

My heart goes to you and your family.

I am sure we will find another occasion to meet again soon.

With warm regards,

Augustin

Hi Kate and Dana,

I apologize whole heartedly but I am unable to travel to Lyon. My father-in-law has been battling lung cancer for some time, his condition had worsened drastically in the past two days, and the hospice nurse believes that he may pass very soon. I do not feel that I can leave my family at this time. I cannot express the incredible disappointment I feel in missing this meeting. I wish you the best of luck with the monograph and apologize for not being able to join the rest of the group.

Thank you for your understanding,
Peter

Dear Peter,

I hope you are well and surviving the winter storms! We wanted to invite you to join an informal working lunch on Tuesday 3 March (the first day of the monograph meeting) to discuss the high-throughput data developments and their application in IARC monographs.

We are interested in ExpoCast and while Matt Martin can cover it with respect to what NCCT is involved in, we all agreed that it would be great to include you for your perspective and the specific work ongoing in NERL. No need to prepare anything for that at least. :-).

There's a small meeting room in the cafeteria where we will convene. We'll plan to go around 12:55 to be at the head of the line.

Safe travels,

Best,

Kate
